

African Elephant Populations

Camryn Allen

March 27, 2024

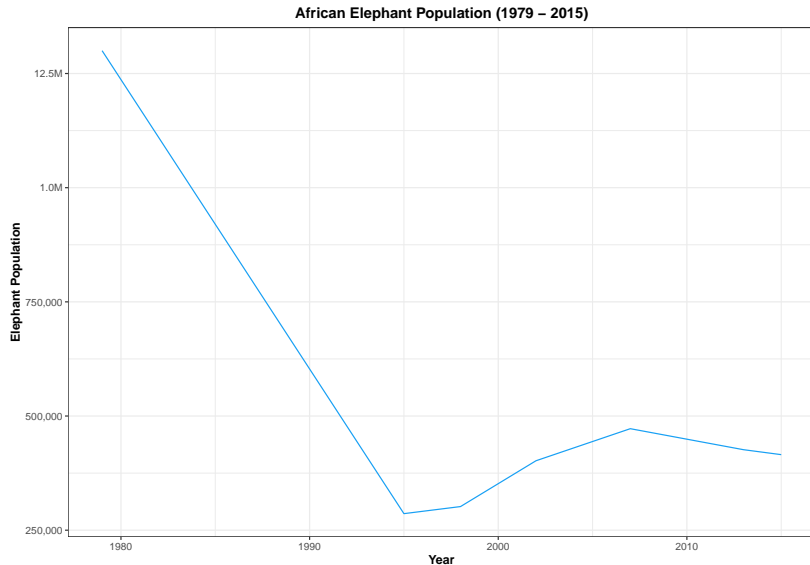

The Data Details

Collected by the African Elephant Specialist Group (AfESG) of the Food and Agriculture Organization of the United Nations, the data utilized for this presentation visualizes and compares the elephant populations of different African countries at intervals between 1979 and 2015.

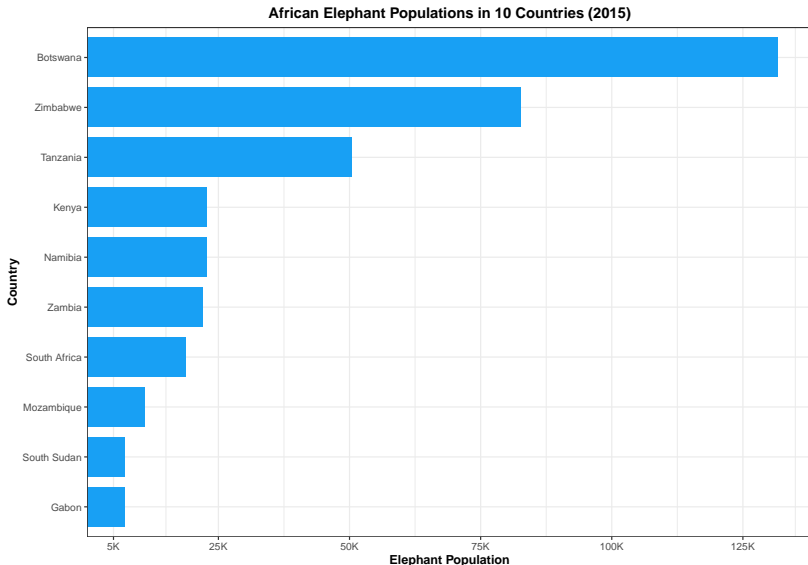

Overview

- ▶ Africa's Elephant Population (1979 - 2015)
- ▶ Top 10 Largest African Elephant Populations (2015)

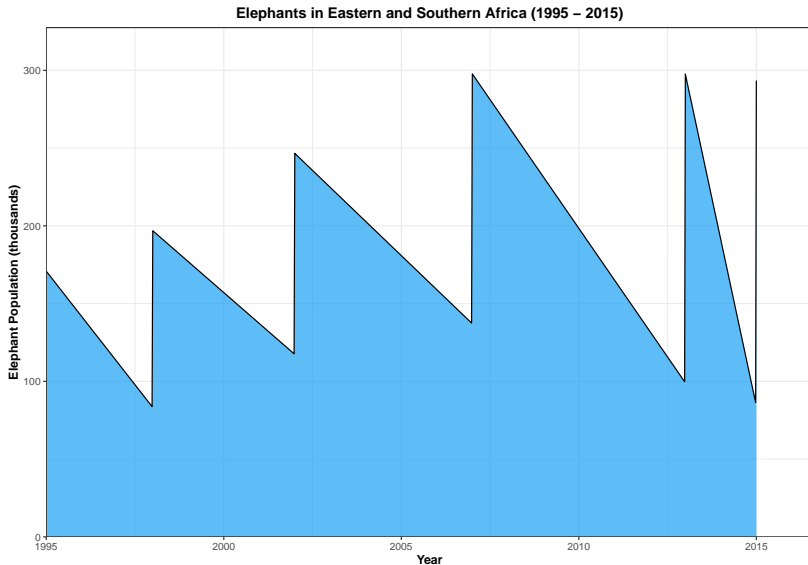

A Focus on Africa's Elephant Population Overtime

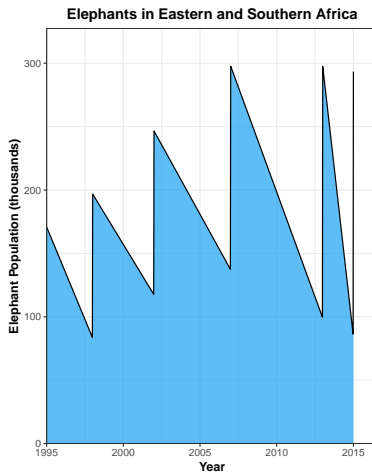

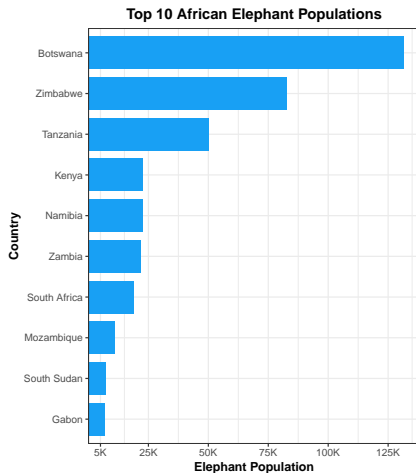

Top 10 Largest African Elephant Populations (2015)

Highest Elephant-Populated Regions: Eastern and Southern Africa

A Comparison of African Elephant Populations

Extra Credit

Special Easter Egg from PS5 key.Rmd: "I'm a very special easter egg in that I only appear in the markdown file. Did you find me? Email Hart for your 3/27 extra credit!"
